ARTFUL IN EVERY WAY, SÈ SAN DIEGO IS A UNIQUE EXPERIENCE IN ART AND FUNCTION

-BY STEPHANIE FARRELL

Serenity and comfort imbue the atmosphere of Sè San Diego, a luxury hotel located in the heart of downtown San Diego's financial district. Offering chic accommodation for both the affluent vacationer and the reputable businessman, Sè San Diego provides an environment of relaxation to help inspire your daily activities. The moment you step through the hotel's regal bronze doors, be prepared for a calming energy to surround your being as you experience the Zen-inspired architecture, visit the acclaimed spa, or dine at the hotel's lavish Suite & Tender restaurant presided over by Chef Christopher Lee.

Sè San Diego's modern design was created by blending Asian textures and color with the comfort of the American Pacific Rim. From its 184 guestrooms, 37 suites, and three unique penthouses, the hotel offers sweeping views of the city and bay. Guestrooms boast an amalgamation of sophisticated design elements from around the globe, with some suites featuring Italian built-in kitchens and steam showers.

Experiencing the tranquility of the Sè San Diego Spa is essential to your stay. Guests are welcomed to the spa with an organic Soma shot before undergoing deluxe health and beauty treatments to ensure courage, long life, and virtue. For an intimate weekend getaway, couples can indulge in dual treatments side by side.

Conclude your visit at SIREN, Sè San Diego's rooftop pool deck and Uber Lounge, which features an infinity pool, private cabanas, exquisite appetizers, and a full bar. SIREN hosts visual performances year round, with acrobatic tango acts and DJ's, as well as poolside spa treatments.

Sè San Diego is sure to captivate your spirit and sensuality whilst complimenting your entire San Diego experience.
