SUITE REWARDS

Suite & Tender, the mezzanine-level signature restaurant at the Sé Hotel, is a steakhouse that knows what it's doing (Kobe, anyone?). But unlike most chophouses, Suite & Tender gives equal time to dishes like duck confit, braised pork belly with diver scallops and other California-style mains crafted by Chef Christopher Lee, who earned two Michelin stars during his tenure at NYC's Gilt. But what we like best is the wine program, which lets guests order three-ounce "sips," six-ounce "tastes" or a bottomless glass that doesn't run dry until you say so. 1047 Fifth Ave., Gaslamp Quarter, 619.515.3003
